Longhorn PCA Brewer Tour, October 4, 2025

Looking for alternative food and beverage?

There are vineyards on Bell Springs Road, the Route 12 Filling Station looks interesting, and Fox 12 Brewery is west of Bell Springs Road off Fitzhugh. Check out Dripping Springs while you're here.

You don't want to go home on I-35? Me neither!

Go west on Fitzhugh, then turn south on Ranch Road 12. The simplest thing to do then is take Highway 290 to FM 165 to Blanco, then 281 to San Antonio.

But if you're really adventurous,

Head left/south on Ranch Road 12 through Dripping Springs, then

Turn right/west on East Mount Gainor Road. RESPECT THE CATTLE GUARDS!

Turn left/south on Mt Sharp,

Right on Ledgerrock,

Right on FM 2325,

Left on 165 to Blanco, then 281 to San Antonio.
